**FOR THOSE ATTENDING PHYLANTH OR NATIONAL HIGH-ADVENTURE BASES:**

- The minimum age for all participants is 13 by January 1 of the year of participation, or have completed the seventh grade. No exceptions.
  - † Trail food is by necessity a high-carbohydrate, high-calorie diet. It is high in wheat, milk products, sugar, corn syrup, and artificial coloring/flavoring. Dinner insects contain meat. If these food products cause a problem in your diet, you need to bring appropriate substitutions with you and so advise base personnel.
- Note: Licensed health-care practitioners representing high-adventure bases reserve the right to deny access to the trails or other program activity on the basis of a medical evaluation performed at the base after arrival.

PLEASE TYPE OR PRINT.
